

God Wants You Well!

Someone has said that prayer is not about overcoming God's reluctance, but about laying hold of His willingness. This can also be said of healing ministry—it is not about overcoming God's reluctance, but laying hold of His willingness to heal. The Bible frequently reveals God's great desire to bless and heal His people. In *Healing Scriptures and Prayers*, a new book from Walking Barefoot Ministries, Jeff Doles brings together all the passages from the Bible which demonstrate God's will and desire to heal all those who come to Him.

Healing Scriptures and Prayers is designed for individual use as well as for churches and healing ministries. Chapters detail God's healing ways and words in both the Old and New Testaments, how healing is revealed in the names of God, healing stories of Jesus and the disciples, and how the Lord's Prayer and the Lord's Supper can be used to receive healing. Each section includes prayers to help the reader exercise faith by praying these healing Scriptures back to God.
